Interconnection Agreement Negotiated by) APPROVING
BellSouth Telecommunications, Inc. and) AGREEMENT
MCI metro Access Transmission Services, Inc.)

JMR

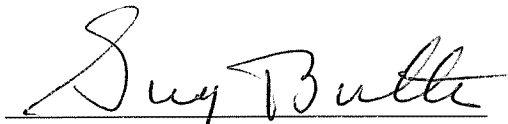

This matter comes before the Public Service Commission of South Carolina (the “Commission”) on the request of BellSouth Telecommunications, Inc. (“BellSouth”) and MCI metro Access Transmission Services, Inc. (Vienna, VA) (“MCI metro”) for approval of the resale and interconnection agreement negotiated by and between the two companies pursuant to Section 252(e) of the Telecommunications Act of 1996 (the “Act”).

The Commission has examined this agreement and finds that it is consistent with the standards of Section 252 of the Act. We approve the agreement as filed since it is not discriminatory and is consistent with the public interest in that it promotes competition. We further hold, however, that the terms of the resale and interconnection agreement are not to be considered as a precedential standard for other agreements, nor is it binding on any other carrier.
